

Alberto Abbondandolo

General Information

name Prof. Dr. Abbondandolo, Alberto
institution Fakultät für Mathematik, Ruhr-Universität Bochum
position Professor (chair Mathematical Analysis)

Academic education

10/1989–11/1993 Mathematics, University of Pisa and Scuola Normale Superiore, Italy
12/1993–05/1995 Perfezionamento in Mathematics (Ph.D.), Scuola Normale Superiore, Italy

Scientific degrees

11/1993 Laurea in Mathematics, University of Pisa and Scuola Normale Superiore, Italy
09/1999 Ph.D. in Mathematics, Scuola Normale Superiore, Pisa, Italy (Prof. V. Benci)

Positions held

09/2012–now Professor (W3), Ruhr-Universität Bochum, Germany
01/2005–08/2012 Associate Professor, University of Pisa, Italy
09/2000–08/2001 Courant Instructor, New York University, USA
06/1995–12/2004 Assistant Professor (Ricercatore), Scuola Normale Superiore, Pisa, Italy

Other information

Editor of the Virtual Series on Symplectic Geometry, Springer-Verlag (2018-).
Editor of the Rivista UMI - La Matematica nella cultura e nella società (2016-).
Chief Editor of Journal of Fixed Point Theory and Applications (2015-2019).
Director of the Floer Centre of Geometry at the University of Bochum (2013-).
Humboldt Research Fellowship for Experienced Researchers for spending a research year in Leipzig (2008/09).
International Award “Vincenzo Caglioti” for Mathematics, *Accademia dei Lincei* and *Accademia delle Scienze, detta dei XL* (2005).
