

Curriculum Vitæ of Dr. Andrea Banfi

Personal details

Name: Banfi Andrea

Place of Birth: ██████████

Date of Birth: ██████████

Citizenship: Italian

Present position: Reader in Theoretical Physics

Date of Appointment: 1st June 2017

Address: University of Sussex
School of Mathematical and Physical Sciences
Pevensey 2
Brighton BN1 9RH
United Kingdom
Tel.: ██████████

E-mail: a.banfi@sussex.ac.uk

Home Page: <http://www.sussex.ac.uk/physics/people/peoplelists/person/320026>

Career History

- **June 2017 - To date**
Reader by the University of Sussex, Brighton.
- **June 2014 - June 2017**
Senior Lecturer by the University of Sussex, Brighton.
- **February 2013 - June 2014**
Lecturer by the University of Sussex, Brighton.
- **January 2012 - February 2013**
Assistant Professor in the group “Elementarteilchenphänomenologie” of Prof. ██████████, University of Freiburg, Germany.
- **August 2009 - December 2011**
Senior post doctoral researcher at the ETH Zürich, Switzerland.
- **November 2005 - July 2009**
Post doctoral researcher at the University of Milano-Bicocca, Dipartimento di Fisica, Milano, Italy, partially supported by Italian “Ministero della Pubblica Istruzione” under the grant “PRIN 2004”.

- **November 2004 - October 2005**

Research Associate at the Cavendish Laboratory, Cambridge, UK.

- **November 2002 - November 2004**

Onderzoeker (post-doctoral researcher) at the NIKHEF (The National Institute for Nuclear Physics and High Energy Physics), Amsterdam, The Netherlands.

Awards

- **July 2018**

Accreditation to Italian “Professore di Prima Fascia” (equivalent to Professor)

- **January 2014**

Accreditation to Italian “Professore di Seconda Fascia” (equivalent to Senior Lecturer/Reader)

Education/Qualifications

- **September 2013**

Fellow of the Higher Education Academy.

- **November 1999 - 18 December 2002**

PhD in Physics at the University of Milan.

Thesis: *Event shape variables in and beyond QCD perturbation theory*. Supervisor: Prof. ██████████.

- **October 1998 - August 1999**

██████████

- **October 1993 - 27 March 1998**

Laurea degree in Physics at the “Università degli Studi di Milano”, with 110/110 cum laude.

Thesis: *Perturbative and non-perturbative contributions in QCD for shape variables in e^+e^-* .

Supervisor: ██████████.

- **14 July 1993**

Italian “Diploma di Maturità classica” (60/60).
