Education and training

- 2005–2009: **PhD in Philosophy**, University of Paris 1 / University of Pisa.
Date of award: 9/12/2008
- 2003–2005: **MSc (Master 2)** in Mathematical Logic and foundations of Informatics.
University of Paris VII - Jussieu.
Date of award: 22/09/2005
- 1998–2002: **M.A. (Laurea)** in Philosophy, Università di Pisa.
Date of award: 22/11/2002
M.A. diploma in Philosophy, Scuola Normale Superiore di Pisa.
Date of award: 17/12/2002

Work experience

- November 2019 – present: Researcher at CNR - ILC.
- September 2018 – present: Marie Curie Fellow at University of Amsterdam.
- January 2017 – September 2018: Researcher at Lund University.
- October 2011 – January 2016: Researcher at Lund University.
- September 2009 -. September 2011: Postdoc at Lund University.

Grants, Scholarships and Awards

- Research Grant** for the project “EDAPOL: The Epistemic and Dynamic Aspects of Polarization” (**Supervisor: Sonja Smets**). Conducted at the ILLC, University of Amsterdam. Financed by the European Research Council (Marie Curie Individual Fellowship). Awarded in 2017 (**165.600 EU**)
- Research Grant** for the project “Rationality and Group Behavior” (**Principal Investigator**). Financed by the Riksbankens Jubileumsfond. Awarded in 2016 (**2.074.000 SEK, ca. 220.000 EU**)
- Research Grant** for the project “Logical modelling of collective attitudes and their dynamics” (**Principal Investigator**). Financed by the Swedish Research Council. Awarded in 2012 (**2.289.000 SEK, ca. 240.000 EU**)

- Research Grant** for the project “Ceteris paribus modal logics for Epistemology and Philosophy of Science” (**Principal Investigator**). Financed by the Swedish Research Council. Awarded in 2009 (**1.404.000 SEK, ca. 150.000 EU**).
- M.A. Scholarship of *Scuola Normale Superiore di Pisa*** Four-year grant associated with enrolment-after-competition in the *Scuola Normale Superiore di Pisa*. Awarded in 1997. **Financed by the Italian Government and covering all expenses for enrollment in higher education and per diem allowance.**
- Scholarship** by the Scuola Normale Superiore di Pisa for a four-months visit at the University of Tuebingen. Awarded in 2001. (**1.400 EU**).
- Scholarship** by the French Government for Master Thesis at the University of Paris 7. Awarded in 2003. (**4.000 EU**).
- Workshop Grant.** Workshop on *Modality and Modalities* Department of Philosophy, Lund. Awarded by the *Riksbanken Jubileumsfond* in 2014. (**55.000 SEK, ca. 5700 EU**)
- Workshop Grant.** Workshop on *Intensionality in Mathematics* Department of Philosophy, Lund. Awarded by the *Elisabeth Rausing's minnesfond* of Lund University in 2013 (**23.000 SEK, ca. 2.500 EU**).
- Workshop Grant.** Workshop on *Ceteris Paribus laws and reasoning* Department of Philosophy, Lund. Awarded by the *Swedish Research Council* and the *Hultengrens Fund* of Lund University in 2010. (**70000 SEK, ca. 7300 EU**)
- 3rd Prize** at the SoPhA conference (Francophone Society of Analytic Philosophy) (2009). Awarded in 2009. (**500 EU**).

Teaching

- 2019: B.A. level course *Logic, Information, Argumentation* (in English). Amsterdam University College, AUC.
- 2018: Advanced level course (PhD and MA) *Topics in Argumentation Theory* (in English). Department of Philosophy, Lund.
- 2015 : B.A. level course *One world, one language* (Responsible Dr. M. Johnsson). Lectures on Human-machine communication. Faculty of Humanities, University of Lund.
- 2013 - 2015 : B.A. level course in *Logic* (in Swedish), Department of Philosophy, Lund. (With Dr. R. Stenwall)
- 2011: Advanced level course (PhD and MA) *Modal Logic* (in English). Department of Philosophy, Lund.
- 2010: National course, advanced level (PhD and MA) *Modal Logic and its applications* (in English). Department of Philosophy, Lund.
- 2006-07: Teaching Assistant on *Informatics and introduction to Cognitive Sciences* (in French), Paris 1.

Supervision

2019: Floris Sluijter. BSc. thesis *Argumentation frameworks and three-valued logics*.
University of Amsterdam.

Teaching qualifications

2017: Docentur (Swedish equivalent of qualification as Associate Professor).
2017: Abilitazione Scientifica Nazionale come Professore di seconda fascia (Italian
equivalent of qualification as Associate Professor).
2015: Learning and Teaching in Higher Education (advanced level), Lund University,
center for educational development (CED)
2014: Learning and Teaching in Higher Education (introductory level), Lund Univer-
sity, center for educational development (CED)
2009: Qualification pour Maître de Conférences (Habilitation as lecturer in France).
Renewed in 2013 and 2019.

Invited talks (17)

1. Group Polarization and Abstract Argumentation. LIRa talk, ILLC University of Amsterdam, Amsterdam, 17 Jun 2018.
2. Understanding Group Polarization with Argumentation Graphs. MCMP talk, Munich Center for Mathematical Philosophy, LMU University, Munich, 16 May 2018.
3. Argumentation frameworks: Unintroduzione. EpiLog Seminar, Department of Philosophy, University of Genua, 19 April 2018.
4. Understanding Group polarization with Argumentation Frameworks. CADILLAC workshop, University of Copenhagen 23-25 May 2016.
5. Reflecting on Social Influence in Networks. Seminar Informatique, Biologie intégrative et Systemes complexes (IBISC), Université d'Evry, 28 May 2015.
6. Reflecting on Social Influence in Networks. TF Lunch, Department of Philosophy University of Utrecht, 23 June 2015.
7. Fitch's Paradox and first-order modal logic. Séminaire logiques non classiques, University of Paris 1-Paris 4, 29 May 2015.
8. Herd behavior and reasoning about other minds. International conference Modeling epistemic and scientific groups : epistemic perspectives. Archives Henri Poincaré, Nancy 25-26 November 2013.
9. A DDL approach to pluralistic ignorance. Seminar of the Institut fuer Philosophie II, University of Bochum 17 January 2013.
10. The Abundance of the Future. Logic Seminar of the Department of Philosophy. University of Göteborg, October 5, 2012.
11. Time of Logics, Time of Physics. International conference The Time of Nature, the Nature of Time. University of Bordeaux, 26-28 September 2012.

12. A DDL approach to pluralistic ignorance. Higher Seminar of the Department of Philosophy, University of Helsinki, 20 January 2012.
13. Intuitionistic epistemic logic and the Fitch Paradox. Higher Seminar of the Department of Philosophy, University of Helsinki, 20 November 2009.
14. Intuitionistic epistemic logic and the Fitch Paradox. Paris-Amsterdam Logic Meetings of Young Researchers (PALMYR VIII), 8-9 May 2009.
15. Fitch's paradox and ceteris paribus modalities. Seminar LORI. ILLC University of Amsterdam, 4 February 2009.
16. Temporal Logic and Ceteris Paribus Modalities, Paris-Berkeley Workshop on Philosophy of Logic, IHPST, University of Paris 1, 14-15 June 2010.
17. The Kerry-Frege debate about object and concept: some remarks on Kerrys position. Pisa Colloquium in Logic, Epistemology and Philosophy of Language. Department of Philosophy, University of Pisa, 20-22 October 2003.

Professional activities

PC member and organization of scientific events

- 2019: PC member of AI³ 2019
- 2019: PC member of IJCAI 2019
- 2018: PC member of European Summer School of Logic, Language and Information 2018, Student Session
- 2017-2018: PC member of AAMAS 2018

Organization of scientific events

- 2015: Workshop Social Mistakes. At the *Congress of Logic, Methodology and Philosophy of Science (CLMPS)*, Helsinki, 3-8 August 2015.
- 2014: Workshop Modality and Modalities 2014. Department of Philosophy, Lund, 22-24 May (with Prof. Patrick Blackburn and Dr. Jens Ulrik Hansen)
- 2013: International Workshop *Intensionality in Mathematics*. Department of Philosophy, Lund, May 11-12. (with Dr. Paula Quinon and Marianna Antonutti)
- 2011: International Workshop *Ceteris Paribus laws and reasoning*. Department of Philosophy, Lund, November 4-5.
- 2010-2012: Lund-Copenhagen Workshop on *Social Epistemology* (5 events). Lund University and Copenhagen University (with Dr. Frank Zenker).

Organization of seminars and reading groups

- 2006-2008: Organizer of the seminar of Formal Philosophy at the IHPST (Institute of History of Philosophy of Science and Techniques), Paris 1

Visiting

2018: Department of Philosophy, University of Genua.

2018: Munich Center for Mathematical Philosophy, LMU University, Munich

Refereeing

Based on my expertise, I have been a referee for the following journals : *Synthese*, *Mind*, *Erkenntnis*, *Journal of Applied Logic*, *Review of Symbolic Logic*, *ACM Transactions on Computational Logic*, *Studia Logica*, *Theoria*, *Dialectica*, *Philosophia*, *Philosophia Scientiae*. Besides, I have acted as a referee for the proceedings of the following conferences and workshops: *Trends in Logics 2013*, *European Summer School of Logic, Language and Information*, *Logic, Language and Computation* and *LOGic and Rational Interaction*.

Conference talks (31)

1. Postsemantics and the Future Contingents Problem, SIFA 2018, University of Eastern Piedmont, Novara 4-7 September 2018
2. Polarization explained with Argumentation Graphs, SIFA 2018, University of Eastern Piedmont, Novara 4-7 September 2018
3. Group Polarization and Abstract Argumentation, Lund conference on Formal Epistemology and Social Networks. Department of Philosophy, Lund University, 24-25 April 2018.
4. The Dynamics of Group Polarization, European Conference on Multi-Agent Systems, University of Evry, 14-15 December 2017
5. Polarization and Bipolar Probabilistic Argumentation Frameworks. 1st Workshop on Advances In Argumentation in Artificial Intelligence, XVI Conference of the Italian Association for Artificial Intelligence (AI*IA 2017), University of Bari, 14-17 November 2017.
6. The Dynamics of Group Polarization, International Conference on Logic, Rationality and Interaction (LORI VI), Hokkaido University, Sapporo, 11-14 September 2017.
7. Understanding Group Polarization with Bipolar Argumentation Frameworks, 6th International Conference on Computational Models of Argument (COMMA 2016), University of Potsdam, 13-16 September 2016.
8. Understanding Group Polarization with Argumentation Graphs. Workshop on The Logical Structure of Correlated Information Change (LogiCIC), ILLC, University of Amsterdam, 26-28 November 2015.
9. Reflecting on social influence and pluralistic ignorance. Congress of Logic, Methodology and Philosophy of Science (CLMPS), University of Helsinki, 3-8 August 2015.
10. Social norms and free-riding in academia. Nordic Network for Philosophy of Science (NNPS), University of Helsinki, 23-24 April 2015.
11. Influence models: logic and simulations. Workshop on The Logical Structure of Correlated Information Change (LogiCIC), ILLC, University of Amsterdam, 24-26 November 2014.
12. Reflecting on social influence in networks. Workshop Information Dynamics in Artificial

Societies (IDAS@ESSLLI-14), University of Tuebingen, 18-22 August 2014.

13. The knowability paradox. An approach in quantified modal logic. Workshop Modality & Modalities (M & M 2014), Department of Philosophy, University of Lund, 22-24 May 2014.
14. Pluralistic ignorance, informational cascades and herd behaviour. Swedish Congress of Philosophy (Filosofidagarna), KTH Royal Institute of Technology, Stockholm, 14-16 June 2013.
15. Fitch-Church Paradox and Reformulation strategies. Workshop Modality & Modalities (M & M 2013), University of Roskilde, May 23-24, 2013.
16. Fitch-Church Paradox and Reformulation strategies, Nordic Network for Philosophy of Science (NNPS), University of Uppsala, 22-24 April 2013.
17. Collective behaviour and higher order beliefs. Workshop Formalization in Philosophy, Department of Philosophy, Lund University, 1-2 December 2012.
18. The Abundance of the Future: a Paraconsistent Approach to Temporal Logic and Indeterminism. LOGICA 2012, Hejnice, 18-22 June 2012.
19. Pluralistic Ignorance and Collective Belief in dynamic doxastic logic. European Epistemology Network Meeting (EEN 2012), University of Bologna - University of Modena, 28-30 June 2012.
20. Non-classical Modal Logics and tableau testing. Pisa Summer Workshop on Proof Theory, Department of Philosophy, University of Pisa, 12-15 June 2012.
21. Non-classical modal logics and tableaux-testing. Workshop Modality & Modalities (M & M 2012), Department of Philosophy, University of Copenhagen, 29-30 May 2012.
22. Supervaluations, Subvaluations and indeterminism. Conference of the Francophone Society of Analytic Philosophy (SoPhA), University of Paris 1, 4-6 May 2012.
23. Pluralistic Ignorance and Informational Cascades : an approach in Dynamic Doxastic Logic. Conference of the Francophone Society of Analytic Philosophy (SoPhA), University of Paris 1, 4-6 May 2012.
24. Logic and ceteris paribus reasoning. Workshop on Ceteris Paribus Laws and Reasoning. Department of Philosophy, Lund University, 4-5 November 2011.
25. The Abundance of the Future, Conference of the Italian Society of Logic and Philosophy of Science (SILFS), University of Bergamo, 15-17 December 2010.
26. Doubt and pluralistic ignorance, Lund-Copenhagen Workshop on Social Epistemology, Department of Philosophy, University of Copenhagen, 25 November 2010.
27. The Abundance of the Future, Conference of the Italian Society for Analytic Philosophy (SIFA), University of Padua, 23-25 September 2010.
28. Futurs contingents et logique modale. Conference of the Francophone Society of Analytic Philosophy (SoPhA), University of Geneva, 2-5 September 2009.
29. Fitch's Paradox and the Reformulation of the Verification Principle. Paris-Amsterdam Logic Meetings of Young Researchers (PALMYR VI), University of Amsterdam, 14-15 December 2007.
30. Yet another paper on Fitch's paradox, First Conference of The European Philosophy of Science Association, Faculty of Philosophy, Complutense University of Madrid, 14-17 November 2007.

31. Aspects dynamiques et temporels du paradoxe de Fitch. Conference of the Francophone Society of Analytic Philosophy (SoPhA), University of Aix-en-Provence, 1-3 September 2006.

Departmental/University service

2015-2016 : Board member, Department of Philosophy, Lund University

2013-2016 : Web administrator of the “logic and rational interaction” website lori-web.org

2010-2012: Board member of the Philosophical Society (“Filosofiska Föreningen”) in Lund, (2010-2012).

Language Skills and Certifications

Advanced oral and written proficiency in English, French and Italian.

Basic oral and written proficiency in German and Swedish (language certificate SFI)..

Competences in informatics

Windows, Office package, \LaTeX , NetLogo.
