

CURRICULUM VITAE ET STUDIORUM of Maurizio PROSPERI

PRESENT POSITION

Assistant professor in *Agricultural Economics*, since year 2005 at:

Dipartimento di Scienze Agrarie, degli Alimenti e dell'Ambiente (SAFE) - University of Foggia

email:

EDUCATION AND HONORS

- **Ph.D Degree in Agricultural Sciences**, Division of Natural Resource Economics, **Kyoto University, Japan**, in 2005. Thesis title: *Analysis of the EU MacSharry Reform in Italian Family Farms: A Multilayer Feed-Forward Neural Network model for evaluating economic and environmental impacts of the direct payments system*
- **Master Degree in Agricultural Sciences, Division of Natural Resource Economics, Kyoto University, Japan**, in 2001. Thesis title: *Impacts of the CAP Reform on Farmers' Behavior in Marche Region (Italy): An application of Artificial Neural Network model*
- **Laurea Degree in Agricultural Sciences (cum laude)**, Faculty of Agriculture, University of Bologna, Italy, in 1994

- Award issued by *The Association for Regional Agricultural and Forestry Economics*, for the article *Comparative Analysis of the CAP Reform Impacts in Diversified Agricultural Systems: A Neural Network Application*, *Journal of Rural Problems*, pagg.315-327, The Association for Regional Agricultural and Forestry Economics, pagg.315-327, Vol. 40, n.3 (ISBN 4-8122-0329-5), Kyoto, Japan, 2004
- Research Assistant grant, provided by the University of Foggia, Italy, for the period 2004-2005
- *Monbusho* (Japanese Ministry of Education) scholarship program, for the period 1998-2004

ACADEMIC POSITION

- *2005-present*: Assistant Professor in *Agricultural Economics and Rural Appraisal*, at the Dept. SAFE, University of Foggia, Italy
- *2004-2005*: Assistant Researcher at the Dept. PRIME, University of Foggia, Italy
- *1998-2004*: Post-Graduate student at the Kyoto University, Japan (student researcher, from 1998 to 1999; Master course student, from 1999 to 2001; Ph.D. student, from 2001 to 2004)
- *1994-1998*: Student researcher at the Department of Agricultural Economics and Agricultural Engineering, University of Bologna, Italy

TEACHING EXPERIENCE (at the Dept. of Agriculture, University of Fog-

gia, Italy)

- *Rural Appraisal* (from academic year 2005-06 to present)
- *Industrial Organization and Logistic Networks management in Agrofood* (academic years 2018-19 to present)
- *Economics of Regional Resources* (in English language) (from academic year 2011-12 to 2015-16)
- *Economics of Food Safety and Nutrition* (in English language) (academic years 2008-09 and 2009-10)
- *Economics II - Regional Planning* (academic years 2008-09 and 2009-10)
- *Farm Business Administration* (academic years 2005-06, 2006-07, 2007-08, and 2010-11)
- *Marketing Research* (academic year 2006-07)

INTERNATIONAL SEMINARS (as invited speaker)

- May 25, 2010: *Economic aspects of the settings of property rights on the conservation of groundwater in Italy* , presentation at the Opening Ceremony of WATMED5, organized by Prof. Baghdad Ouddane, Lille University
- July 15, 2014: *Social acceptance of biorefineries and their products* , academic lecture at the 1st EUBis Training School - Food Waste Processing in the Frame of Biorefinery Concept, organized by Dr. Rafal Lukasik, iBET and LNEG, Lisbon, Portugal
- August 8-12, 2014: *Consumer Behaviour and Demand Analysis I: Theory and Application* , academic lecture at the Department of Agricultural Economics and Rural Development, Georg-August Universitat Goettingen, Germany
- May 24, 2018: *Socio-technical barriers hindering the diffusion of eco-innovation in rural areas - Adoption of biodegradable plastic obtained from organic waste - Sustainable use of groundwater in agriculture* , academic lectures at Tokyo University of Agriculture and Technology (TAT), Tokyo, Japan
- January 31, 2019: *Socio-Technical Barrier to Small-scale Biomass Projects in Rural Areas* , academic workshop on “Sustainable Agricultural Development: Emerging Issues and Challenges for Research” at the Department of Agricultural Economics and Rural Development, Georg-August Universitat Goettingen, Germany

RESEARCH ACTIVITY

- 2016-2020 **Participation to the European Union HORIZON project SIMRA: SOCIAL INNOVATION IN MARGINALIZED RURAL AREAS**, coordinated by Maria Nijnik, James Hutton Institute, Aberdeen (UK)
- 2012-2016 Italian Substitute member of the COST project, action TD1203, related to *Food waste valorisation for sustainable chemicals, materials & fuels* (EUBis), coordinated by the University of York (UK)
- 2011-2014 Work Package leader of the EU 7th FP ”STAR-AgroEnergy”, about ”Scientific and

Technological Advancements in Research on Agro-Energy: an Integrated Approach to Renewable Energy Generation According to Sustainability Criteria". Project Coordinator Prof. Massimo MONTELEONE, University of Foggia, Italy. Call identifier: FP7-REGPOT-2011-1

- 2010-2012 Local Research Unit coordinator of the "Research project of Relevant National Interest - PRIN", FINANCED by the Italian Ministry of University and Research (MIUR): "Economic analysis of the water management and of the opportunity cost, in areas of scarce water availability". National coordinator, Prof. G.Dono, University of Tuscia (VT), Italy
- 2008-2010 Local Research Unit coordinator of the "Research project of Relevant National Interest - PRIN", POSITIVELY EVALUATED by the Italian Ministry of University and Research (MIUR): "Analysis of environmental cost generated by the use of water in agriculture, and related methods of recovering ". National coordinator, Prof. G.Dono, University of Tuscia (VT), Italy
- 2008-2010 Member of the research Unit of the WorkPackage 6, SUSTOIL 7FP project, under the research unit coordinated by Dr. Pasquale Paziienza (University of Foggia, Italy). European supervision by University of York.
- 2006-2008 Research project financed by the University of Foggia: Monitoring of Farms' Extension Needs for Adapting to Agricultural Policy Changes, supervised by Prof. G.Zanni
- 2005-2007 Research project financed by the University of Foggia: The Structure of the Olive Oil Industry in the Capitanata Area, supervised by Prof. G.Nardone
- 2004-2005 Research project financed by the Italian Ministry of Agriculture: *Territorial Marketing: The bio-pasta project*, supervised by Prof. G.Zanni
- 2004-2005 Research project of Relevant National Interest (PRIN), financed by the Italian Ministry of University and Research (MIUR): *Economic evaluation of the sustainability of irrigated agriculture at basin level in Apulia Region, Italy*, supervised by Prof. G.Zanni (responsible for the local research unit), and V.Gallerani (responsible of the national project)
- 1999-2004 Individual research activity at the Division of Natural Resource Economics, Kyoto University, Japan, within Master course and Ph.D. programs, concerning with the application of Feed-Forward Back-propagation Neural Networks to modelling of regional agricultural economic systems, supervised by Prof. M.Kagatsume

TECHNICAL SKILLS AND FOREIGN LANGUAGES

- *Software and Data processing*: Multilayer Feed-Forward Neural Network modelling for panel data analysis of farms. Familiar with Microsoft and Unix server management procedures. Basics of C++ programming language. Familiar with generic software (writing, spread-sheet, database, presentation, hypertext), and economic specific scientific software (S-Plus, R, SPSS, Octave, GAMS).
- *Foreign languages*: fluent use of Italian (native), English, Japanese. Intermediate level of French and Spanish. Interested in Korean and Chinese languages.

MEMBERSHIP to ACADEMIC SOCIETIES

- *Association for Rural Agricultural and Forestry Economics*, Kyoto, Japan
- *Italian Association of Japanese Studies (AISTUGIA)*, Venice, Italy
- *Associazione Internazionale di Studi sul Mediterraneo e l'Oriente (ISMEO)*, Italy
